bioeconomy development

Join us for an engaging and insightful three-day
Training Program on regional bioeconomy value chains!

AGENDA SESSION #1

Thursday 7 September 2023 from 9:00 am to 12:00 pm CEST

- 09:00 – 09:30 *Main room – Presentations in English with live subtitles in your language using Microsoft Teams*
- Warm-up: getting to know the audience
- Introduction to the SCALE-UP project: how to boost bioeconomy in rural areas | Holger Gerdes, Ecologic Institute
- Presentation of selected biomass streams in the 6 SCALE-UP regions, Frans Feil, Biomass Technology Group
- 09:30 – 10:10 Developing a local biomass supply system | Magnus Matisons, Biofuel Region
- 10:10 – 10:20 Short break
- 10:20 – 11:20 *Break-out rooms | Moderated in your language by a facilitator in your region*
- Collective discussion on the challenges and “state of the art” of the biomass logistics and infrastructure in your region:
- Regional biomass resources: volumes and spatial distribution, seasonality
 - Current use and ownership of the biomass
 - Barriers and solutions for biomass mobilisation
 - Upgrading and storage of biomass
- 11:20 – 10:30 Short break
- 11:30 – 12:00 *Main room – Presentations in English with live subtitles in your language using Microsoft Teams*
- Feedback on the key outcomes and questions from the breakout rooms
- Conclusions and presentation of the next session
- Short survey: give your feedback on the training!

This project has received funding from the European Union's Horizon Europe research and innovation programme under grant agreement No. 101060264.
